

DESCRIPTION

Célere Victoria I is a set of 20 2-, 3-, and 4-bedroom homes.

All dwellings have parking spaces and storage rooms.

The project offers excellent communal areas, swimming pool, social room, and landscaped areas.

At Vía Célere we focus on innovating and implementing increasingly efficient systems,

achieving more sustainable buildings that are committed to the environment.

The residential development has an energy rating of A, which means energy savings and a significant reduction in the energy demand of the complex (cooling and hot water).

Célere Victoria is a residential complex equipped to meet all of your needs in a comfortable environment for you and your loved ones, making it an ideal place to live with your family.
