

DESCRIPTION

Célere Baviera Golf III is an exclusive gated residential development comprising 115 two- and three-bedroom homes, distributed across seven buildings and thirteen entrances. Each property comes with its own parking space and storage room.

Thanks to the distinctive topography of the site and a detailed study of its features, the project has been designed to offer well-balanced and attractive homes, with open-plan layouts, spacious terraces or private gardens, and excellent orientations providing beautiful views.

All homes have been finished to the highest standards and offer a wide range of customisation options to suit each client's individual preferences.

The development includes extensive communal areas, featuring landscaped gardens, a communal swimming pool, a fitness area, and a social room.

Célere Baviera Golf III is the ideal place to enjoy tranquillity, comfort and a natural setting, while remaining exceptionally well connected to all the main attractions and amenities of the Costa del Sol.
